# Provider Notice Pharmacy Benefit Manager (PBM) Change

Beginning April 1, 2019, CountyCare will transition to a new Pharmacy Benefit Manager (PBM), MedImpact.

MedImpact will be responsible for claims processing, prior authorizations, utilization management, managing the pharmacy network and pharmacy portal for all CountyCare members.

**There is no change in the Pharmacy Benefit for members.** If a member has a prior authorization in place it will remain in effect through the expiration date.

All CountyCare members will be receiving a new Member ID Card with the updated pharmacy information on it.
