

CountyCare Provider Pay-for-Performance Program

HEDIS Year 2020/Calendar Year 2019

CountyCare is pleased to offer providers a new pay-for-performance program. The purpose of this document is to provide a list of the P4P measures and describe the mechanism through which performance will be evaluated and final payments calculated. Additional measures may be incentivized during the year at CountyCare's discretion. Note the target is the percent to achieve, not the percentile. More information about the P4P program may be found at <http://www.countycare.com/providers/pay-for-performance-program>.
