CountyCare will resume the normal prior authorization protocols as of 9/1/2020 dates of service for the services as noted below:

A. Emergent inpatient acute care admissions (Medical & Behavioral Health)

COVID PROTOCOL	Extend timeframe for notification of admission to 2 business days
STANDARD PROTOCOL	Notification required within 1 business day

B. Skilled Nursing Facility (SNF) and Long Term Acute Care (LTAC) hospitals

COVID PROTOCOL	Prior authorization not required for first week of post-acute care; the only requirement is notification within 48 hours of transfer to facility – prior authorization will be required
STANDARD PROTOCOL	Pre-admission review required. If approved, concurrent review and authorization is required after 1st week (7days) of admit and weekly thereafter.

C. All prior existing approved authorizations UPDATED

COVID PROTOCOL	Approved authorizations for services not rendered due to COVID-19 that are expiring between 3/1/2020 and 5/31/2020 will be extended through 8/31/2020.
STANDARD PROTOCOL	Existing authorizations will not be extended beyond 8/31/2020.

Continued extension on post-service appeals for services rendered between 3/1/2020 and 8/31/2020:

CountyCare will extend timelines for submission of post-service appeals for any denial reasons. We will accept appeal requests for up to one year from the date of admission or date of service for admission/service dates between 3/1/20-8/31/20.

The CountyCare Coronavirus Task Force continues to actively monitor the rapidly evolving coronavirus outbreak, including guidance from trusted sources of clinical information such as the Centers for Disease Control (CDC) and World Health Organization (WHO). Throughout the duration of this public health emergency, CountyCare will make additional changes to the prior authorization process, as needed.
