## REMINDER – AUTHORIZATION REINSTATEMENT AS OF 9/1/20 COVID-19 PRIOR AUTH TEMPORARY CHANGES

In April, CountyCare implemented temporary prior authorization and notification processes. This notice serves as an update to those temporary changes. **The temporary waiver of PA requirements for services outlined below are effective through 8/31/2020; normal prior authorization rules apply as of 9/1/2020 dates of service.**

In response to the COVID-19 Pandemic and the recommendations by Illinois Department of Healthcare and Family Services (HFS), CountyCare will honor temporary changes to the prior authorization process for Durable Medical Equipment (DME) and Home Health Services, effective 3/01/2020 through 8/31/2020.

**We strongly encourage providers to submit authorization requests during the waiver period for services that may extend beyond 9/1/20.**

In addition, CountyCare will resume the normal prior authorization rules as of 9/1/2020 dates of service for the services as noted below:

- A. Inpatient acute care admissions (Medical & Behavioral Health)
  - a. Extend timeframe for notification of admission to 2 business days – notification required within 1 business day
- B. Skilled Nursing Facility (SNF) and Long Term Acute Care (LTAC) hospitals
  - a. Prior authorization not required for first week of post-acute care; the only requirement is notification within 48 hours of transfer to facility – prior authorization will be required
  - b. Concurrent review and authorization required after 1<sup>st</sup> week (7days) of admit.
- C. Behavioral health outpatient services – normal authorization requirements will apply
  - a. Waive the prior authorization requirement for the following Behavioral Health specific services
    - i. Assertive Community Treatment (ACT) – H0039
    - ii. Community Support Services - H2015 and H2016
    - iii. Psychosocial Rehabilitation (PSR) – H2017
    - iv. Targeted Case Management (TCM) – T1016

Behavioral Health Outpatient Services	
H0039	Assertive Community Treatment – PA Required
H2015 H2016	Community Support Services - PA needed after 200 units (50 hours) per member, per provider
H2017	Psychosocial Rehabilitation - PA needed after 800 units (200 hours) per member, per provider
T1016	Targeted Case Management- PA needed after 200 units (50 hours) per member, per provider

D. All prior existing approved authorizations UPDATED

- a. Approved authorizations for services not rendered due to COVID-19 that are expiring between 3/1/2020 and 5/31/2020 will be extended through 8/31/2020.

In addition, CountyCare will extend timelines for submission of post-service appeals for any denial reasons. We will accept appeal requests for up to one year from the date of admission or date of service for admission/service dates between 3/1/20-8/31/20.

**All other services that require prior authorization for medical necessity review and approval will continue.**

The CountyCare Coronavirus Task Force is actively monitoring the rapidly evolving coronavirus outbreak, including guidance from trusted sources of clinical information such as the Centers for Disease Control (CDC) and World Health Organization (WHO). Throughout the duration of this public health emergency CountyCare will make additional changes, as needed, to the prior authorization process.
