FQHC Covid-19 Fee Schedule EDI Updates

Effective May 10, 2022, CountyCare relaxed an EDI edit that was rejecting FQHC claims when COVID-19 fee schedule services were billed without the T1015 encounter rate code.

Example code: 99000 was rejecting in error.

Claims rejected in error for this reason will be reprocessed. Additional updates and project tracking will be provided on the [Claims and Configuration Project Tracker](#) posted to our website monthly.
