GLP-1 Series Offers Education and Guidance

CountyCare Health Plan is committed to providing helpful and consistent information on glucagon-like peptide (GLP-1) medications. The following series of notices includes information explaining the additional indications for GLP-1s beyond glycemic control; guidance on appropriate use and dose escalation of preferred GLP-1s; and recommendations to support successful prior authorization submissions to reduce delays in the approval process.

View the series of GLP-1 notices by clicking the links below.
