New EDI Edits and Billing Clarification for Inpatient Claims Effective 01/05/24 **Failure to Adhere Could Result in Claim Rejections**

Inpatient claims billed on a UB-04/837I, received 01/05/2024 and later, will require the 'admission date' to equal the 'statement from date.'

This change impacts the following bill types (box 4 on UB-04 paper claims): **Inpatient** (111, 121), **LTC** (211, 221, 651, 791, 861, 891, 661), **SUPR Residential** (861, 891), and **Hospice** (811, 821).

For 837I submissions, the 'admission date' (loop 2300, segment DTP, element 03), must equal the 'statement from date' (loop 2300).

For UB-04 paper claims, the 'admission date' (form locator 12) must equal the 'statement from date' (form locator 6).

Please note, failure to submit the correct 'admission/statement from date' as outlined above, will result in a claim rejection.
