PCP Roster Updates for OB/GYNs and Pediatrics

Per HFS Medicaid contract, OB/GYNs and pediatric specialties can be designated as PCPs. To ensure our current and future members have the greatest access to these provider types, CountyCare will be implementing a change in the designation of a PCP for these two provider types.

Effective 10/1/2022, CountyCare will default the following provider taxonomy’s to a PCP and eligible for member assignment if the following conditions exist:

Provider submitted a roster document where provider type is identified as one of the six types below with the following taxonomy showing as accepting new members.

Specialty	Taxonomy
Nurse Practitioner: Obstetrics & Gynecology	363LX0001X
Obstetrics & Gynecology	207V00000X
Obstetrics & Gynecology: Gynecology	207VG0400X
Nurse Practitioner: Pediatrics	363LP0200X
Pediatrics	208000000X
Pediatrics: Adolescent Medicine	2080A0000X

To opt out of PCP status and member assignment, please update IAMHP roster to reflect “Specialist” in the “Practice As” field and the “Accepts New Patients” field to “Closed.” Specialist entries with an Accept New Patient field set to “Accepting New” or “Existing Patients Only” will be defaulted to “PCP.” For any additional questions, please reach out to your Provider Relations Representative or contact Provider Services.

An action step you can take to ensure your provider information is accurate and up-to-date is to please complete a full **IAMHP Universal Provider Roster Template** found [HERE](#). Submit the completed form via email to CountyCareProviderRosterSubmission@cookcountyhhs.org and copy your Provider Relations Representative. CountyCare is asking you to submit your additions, changes, and terminations monthly and **COMPREHENSIVE Rosters (Indicate when Comprehensive)** on quarterly basis as outlined per the CCH provider manual.

PDM response back after roster review – PDM should call out count and provider lines submitted as SP with OPEN panel that were updated and tag the above notice as to why were updated to PCP and how to submit to truly show as SP.
