

CountyCare Network Management Team

The Network Management Team is here to help our providers better serve their patients who are our members.

The goal of this team is to furnish you and your staff with the necessary tools to provide the highest quality of care and service to CountyCare enrolled members. Your Representative should be a first point of contact at CountyCare. He/she is a liaison to all other departments within CountyCare and will ensure that you and your staff have access to a wide range of resources, information, education and tools to support your practice.

How to Contact Network Management?

	Contracted Provider Partners	Non- Contracted Providers
Email	Your assigned Representative email address is in the table below. You are encouraged to schedule routine on-site meetings with your assigned Representative.	Email ProviderServices@countycare.com The email queue is monitored, and issues are triaged to the appropriate expert for resolution.
