H.R.1 Provider Training

What Providers Need to Know About Changes to Medicaid Eligibility and How to Help Medicaid Patients Maintain Coverage

On July 4, 2025, the federal government enacted H.R.1, also known as the *One Big Beautiful Bill Act* or the *Working Families Tax Cuts*. The law includes significant changes to Medicaid eligibility and enrollment requirements that will affect some Illinois Medicaid members.

CountyCare is hosting a webinar for all contracted providers to review the H.R.1. Medicaid changes. During this webinar, attendees will hear details and timelines on the Medicaid changes and how providers can work with CountyCare to help members maintain their Medicaid coverage.

We encourage you to join us! If you have any questions, please submit them as you register for the webinar. We will do our best to answer all questions during the webinar.
