IAMHP Universal Roster Training

CountyCare Health Plan is committed to helping providers and improving the process for completing and maintaining MCO rosters. The Illinois Association of Medicaid Health Plans (IAMHP) has outlined the requirements for the standardized IAMHP Universal Roster. CountyCare requests the submission of a comprehensive IAMHP Universal Roster, quarterly*. To find more information on the IAMHP Universal Roster, please visit: <https://iamhp.net/providers>.

The CountyCare Provider Data Management team provides live trainings focused on the IAMHP Universal Roster. The goal of the training is for providers and their office administrative staff to better understand the roster format and how to avoid common errors. This training will:

- Review the process for completing and maintaining the MCO roster for submission to the health plan
- Provide education on available tools and resources for providers
- Discuss the impact of roster submission issues such as denials, delays, incorrect panel closures, etc.
- Include FAQs regarding the standardized roster process

Dates for Live Training

December 4, 2023 | 12pm – 1pm

Virtual: [Microsoft Teams Meeting](#)

Dial In: 312-667-5356 **ID:** 123 455 831#

***Please note: The standardized IAMHP Universal Roster is accepted by all Medicaid Health Plans and is required by all providers seeking to participate with CountyCare's network.**
