COVID-19 PRIOR AUTH TEMPORARY CHANGES for SNFs

In response to the COVID-19 pandemic and the recommendations by the Illinois Department of Healthcare and Family Services (HFS). CountyCare has implemented the following **temporary changes were implemented by CountyCare on 1/1/2022, these relaxations will remain in place until 02/28/2022:**

Skilled Nursing Facility (SNF)

- a. Prior authorization not required for first week of post-acute care; the only requirement is notification within 48 hours of transfer to facility
- b. Concurrent review and authorization required after 1st week (7days) of admit.

The [CountyCare Coronavirus Task Force](#) is actively monitoring the rapidly evolving coronavirus outbreak, including guidance from trusted sources of clinical information such as the [Centers for Disease Control](#) (CDC) and [World Health Organization](#) (WHO). Throughout the duration of this public health emergency CountyCare will make additional changes, as needed, to the prior authorization process.
