## **Prior Authorization Change effective 11/1/23: eviCore to manage Durable Medical Equipment Authorization requests- Updated- See highlighted**

CountyCare Health Plan is committed to providing an efficient and consistent Utilization Management (UM) experience for our members and providers. We are always looking for new solutioning partners who can provide more efficient and effective ways to manage medical care resources.

We are pleased to announce our partnership with eviCore Healthcare to provide prior authorization management of durable medical equipment (DME) effective on 11/1/23. With this change, the list of DME HCPCS codes that requires prior authorization will be changing. Please review these changes for future reference. [That list can be found here.](#)

In addition to performing prior authorization for DME, eviCore will also be providing care coordination to our members as follows:

- Confirming delivery and receipt of equipment or supplies
- Educating the member regarding appropriate and safe use of their equipment or supplies

In the coming weeks, eviCore Healthcare will be coordinating orientation sessions with our Provider Relations team designed to assist you and your staff with the transition to eviCore. We will also be providing important information about how to submit your prior authorization requests for DME.

### **Prior Authorization Highlights**

- To request prior authorization for DME, you will be able to access the eviCore web portal and build a case at <https://evicore.com/Pages/ProviderLogin.aspx>.
- Prior authorizations will be accepted 24 hours a day, seven days a week, excluding planned down time for system maintenance, through the eviCore website, by phone at (Telephone: 866-525-5029 or fax to 866-663-7740
- For telephone requests, the business hours will be of 8 a.m. to 9 p.m. E.T., Monday through Friday

This policy is intended to provide guidance for In-Network facilities. However, all Out of Network requests are subject to prior authorization through eviCore as well. Out of Network requests may be redirected to an In-network provider whenever possible and will be subject to physician review.
